Public Invited to Participate in Natural Hazards & Vulnerability Review

Savannah, GA – (December 10, 2015)

This is your community. Wouldn't you like to help make it a resilient place to live? Your participation could help increase our Community's CRS points. The CRS provides incentives in the form of premium discounts for communities to go beyond the minimum floodplain management requirements to develop extra measures to provide protection from flooding. Please see attached document for more information.

WHAT: Hazard Mitigation Plan Public Meeting
WHEN: Thursday, December 17, 2015, 1:00 PM
WHERE: 100 Central Avenue, Garden City, GA, 31405

DETAILS:

A multi-jurisdictional hazard mitigation plan has been developed that includes Chatham County, Bloomingdale, Garden City, Pooler, Port Wentworth, Savannah, Thunderbolt, and Tybee Island.

The purpose of the plan is to provide a blueprint for community officials to use for reducing vulnerability to natural hazards that impact the county and its jurisdictions.

The public is invited to attend to learn more about the plan and offer valuable feedback.

The document can be viewed online at the following location in advance of the meeting.
